James Meredith
I wantent give
15¢ for your hope
after the Govt stops
paying the tax
paying money to
keep niggers at
bay in "all
countries" where you
are not wanted
by the students
and teachers. They
hate you. The
whole South hates
you - get with
your own race -
where you belong.
When you
get out of "all this
fun of those
white people in
jails" are you go to

Will you.

You are just
exchanging a
diploma from
one business for
a death certificate.

I would rather
be a live Negro
with a diploma
from that college
in Jackson than
your wife attends
than a dead Negro
from one business.

Just what kind
of heritage are you
handing your son?

It would be a lovely
heritage to hand down
to him that both
his father and mother
and some day your
sons were all graduates
of the Negro College
in Jackson, all had

a diploma from
the same college.
But I don't suppose
you know what
I mean by heritage
because the negro
race doesn't know
what that is, and
too you are acting
like a "nigger"
not a negro. Showing
ones self ~~on~~ people
is not advancing
you are hindering
the advancement of
your race. Causing
ill will between the
races - just what
has the negro race
ever done for the
great country of ours?
Your race is enjoying
the benefits given
you by the white
Race. The scales

does not balance with
you - you may have
pluse enough to get
live knowledge but
on the other hand you
don't have practical
sense that God give
a person. So really
accomplish any
thing of real value
in life we have
to use both "Let
that scale balance"

I'm in closing
some newspaper
clipping for you to
read - but what
they convey sink
in. you Communist.
a white teacher
from Ga.

P.S. we have a good
negro university in Baton
Rouge La. "Southern
University" for negro -
It is rated the best
in the U.S.A for negro
